

SAMPLE - PRE-CHECK CARTOON CONTROVERSIES

Sierra Bos and Sara Blessing
Mr. Strahn
Government
27 February 2015

Cartoon Checkpoint

Discussion Question 1: Should it be legal for the government to use drones to spy on American citizens?

Discussion Question 2: Should it be legal to target and kill suspected terrorists with drones (in this country or not) without their knowledge and fair trial?

Discussion Question 3: Should we be concerned over our right to privacy concerning drone use?

Discussion Question 4: If we continue to utilize drones, should and how should their use be limited?

Discussion Question 5: Is it morally right to use drones regarding target killing and spying?
